Project 11 - Long Chain Bead Necklace

Components:
1 metre of 7mm chain
30 headpins
Approx 50 beads
And 1 focal bead

Tools Required:
Cutters
Round nose pliers
Flat nosed pliers

Step 1: Open the link on the end of the chain, attach 14 links from the bottom of the other end of the chain.

Step 2: Thread beads onto headpin
Cut 1cm above bead and turn a loop
Make into shape of question

Step 3: attach the dangles you have created
Onto the bottom 12 links in the 'Y' chain.

Step 4: Keep creating dangles and attach
these to either side of the links in the chain
Until it creates a cluster effect

Step 5: Add the large focal
bead to the bottom of the chain to
add weight this will balance the
cluster on the necklace

Step 6: Your necklace is now complete.
Here are some other designs to try.
