

Bedazzle Beads

Project 6 - Beaded Watch

Components:

Watch face, 12 various beads, spacer beads, Toggle and bar, 4 crimp beads, 2 crimp covers
2 x 30cm tiger tail

Tools Required:

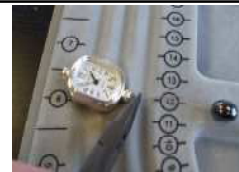

Flat nosed pliers
Cutters
Bead Board

Step 1: Lay beads out in your desired watch pattern on your bead board

Step 2: Thread Tigertail through loop onto watch face and add a crimp bead, create a loop by threading the wire back through the crimp.

Step 3: Crimp the wire with flat nosed pliers

Step 4: Thread one side of your beads onto the wire, add a crimp bead then toggle bar and create your loop.

Step 5: Squeeze crimp flat. Cut wire flush to the beads. Add a crimp cover and squeeze shut.

Step 6: Repeat steps 2 to 5 on other side of Watch face. Most watches are around 7.5 inches long and fit like a bracelet. Your watch is now complete and ready to wear.

Here are some finished design ideas to try ...
