Project 10 - Beaded Bag Charm

Components:
1 large bag lobster claw
30cm chain
Approx 15 large beads
15 head pins

Tools Required:
Cutters
round nose pliers
Flat nose pliers

Step 1: first cut the chain into 3 random lengths. Open the links on the chain and attach to Bag lobster claw.

Step 2: Next thread beads on to head pin.

Step 3: cut the headpin 1 cm above the bead and turn a large loop in the shape of a question mark.

Step 4: attach the dangle you have just created on to a link on one of the peices of chain.
Now create the other 14 dangles.

Step 5: Add each dangle Randomly to the different lengths of chain.

Step 6: Adding your favourite beads to the bottom of the chain.
The bag charm is now complete.
